

Description

The SUBECHO-40 is recognized worldwide as the best GPR-antenna when maximum penetration is required. It is a UWB VHF GPR portable lightweight antenna with very high penetration. The SUBECHO-40 can be used in air-coupled and airborne applications. This antenna is fully compatible with GSSI plug-in electronics: 769DA2, 778 and 766DA allowing mono- and bi-static operation (two antennas).

Applications

- Deep geological and geo-technical surveys
- Embankment dam safety control, structure/voids
- Bedrock profile
- Glaciers studies and ground waves

Technical Data

Electrical	
Type of device	Resistively loaded butterfly folded dipole
Peak frequency ¹	60 MHz
Impedance at the peak frequency ¹	112 Ohms
Center frequency (BW _{10dB}) ³	64.75 MHz
10 dB bandwidth ³	85.2 %
DC resistance at antenna terminals	387 Ohms
Maximum applied power ²	1kW
Front to back ratio ³	0 dB
Gain ³	2 dB
Connector type	4597 COMPAR DZM-6 DREH
Environmental	
Operating temperature	-30°C to 70°C (-22F to 158F)
Operating humidity (non condensing)	96% RH
Ingress protection	IP54
Mechanical	
Dimension (L x W x H)	2045 x 155 x 215 mm (80.51 x 6.1 x 8.46 inch.)
Weight	5 kg (11.02 pounds)
Material	ABS plastic, UV resistant up to 10 years

Notes: ¹Dielectric constant = 4. ² Duty cycle below 1%. ³ Dielectric constant = 6

Terms of use

Radarteam Sweden AB (hereafter known as 'R.S. AB') has made all reasonable efforts to ensure that all information provided through this document is accurate at the time of inclusion; however, there may be inadvertent and occasional errors for which R.S. AB apologizes.

Use of this document constitutes your acceptance of these terms and conditions, which take effect on the date you, first use the document. R.S. AB reserves the right to change these terms and conditions without prior notice.

R.S. AB accepts no liability for any inaccuracies or omissions in this document and any decisions based on information contained in this document are the sole responsibility of the reader. R.S. AB accepts no liability for any direct, special, indirect, or consequential damages, or any other damages of whatsoever kind, resulting from whatever cause through the use of any information obtained either directly or indirectly from this document.

Material may not be copied, reproduced, republished, downloaded, posted, broadcast or transmitted in any way except for your own personal non-commercial home use. Any other use requires the prior written permission of R.S. AB. You agree not to adapt, alter or create a derivative work from any of the material contained in this document or use it for any other purpose other than for your personal non-commercial use. You agree to use this document only for lawful purposes, and in a manner which does not infringe the rights of, or restrict or inhibit the use and enjoyment of this document by any third party.

This document and the information, names, images, pictures, logos and icons regarding or relating to R.S. AB, its products and services (or to third party products and services), is provided "AS IS" and on an "IS AVAILABLE" basis without any representation or endorsement made and without warranty of any kind whether express or implied, including but not limited to the implied warranties of satisfactory quality, fitness for a particular purpose, non-infringement, compatibility, security and accuracy.

In no event will R.S. AB be liable for any damages including, without limitation, indirect or consequential damages, or any damages whatsoever arising from use or loss of use, data, or profits, whether in action of contract, negligence or other tortious action, arising out of or in connection with the use of this document. R.S. AB does not warrant that the functions contained in the material contained in this document will be uninterrupted or error free, that defects will be corrected. The names, images and logos identifying R.S. AB and their products and services are proprietary marks of R.S. AB. Nothing contained herein shall be construed as confer-ring by implication or otherwise any license or right under any trade mark or patent of R.S. AB, or any other third party.

If there is any conflict between these Terms and Conditions and rules and/or specific terms of use appearing in this document relating to specific material then the latter shall prevail.

If any of these Terms and Conditions should be determined to be illegal, invalid or otherwise un-enforceable by reason of the laws of any state or country in which these Terms and Conditions are intended to be effective, then to the extent and within the jurisdiction which that Term or Condition is illegal, invalid or unenforceable, it shall be severed and deleted from this clause and the remaining terms and conditions shall survive, remain in full force and effect and continue to be binding and enforceable.

These Terms and Conditions shall be governed by and construed in accordance with the laws of Sweden. Disputes arising here from shall be exclusively subject to the jurisdiction of the courts of Sweden.

If these Terms and Conditions are not accepted in full, the use of this document must be terminated immediately.
